Happy Halloween, come and join us for the VFW National Home trip October 21-23. We are planning a wonderful trip, the Jr. Girls are going to join us and we plan on have a great time. If you have not made a donation for the National Home Trip, please send your donation to Debbie Miller as soon as possible. If you have sold any of the Raffle Tickets for the National Home Trip, I will be drawing the winner on October 8, 2011 at the Fall C of A please get this information to me.

Have you planned your fund raiser for National Military Services, if not, now is a goodtime to get started. Remember to send me the information on what you did to raise funds for National Military Service, before January 15, 2011. Please report this on you Universal report form.

Veterans and Family Support should be the heart  of every Auxiliary as of this date , as of this date I only received about 20 reports, and I know each and every one of the Auxiliaries in this state have done something that would fall under Veterans and Family Support. Please use your new report forms and report to me month. The report of cards and flowers send to Veterans and their families should be send to me, in my Auxiliary this is the Chaplains report but, this is also Veterans and Family Support.

The Goals for National Military Services

1. To assist our Troops and Their Families
2. To Donate \$1,000,000.00 to NMS
3. To educate the community on what we do and what needs to be done to assist our troops and their families.

These are goals we can reach if each and everyone "Step Up" and work together

Don't forget your .10 cents per member Health and Happiness donations, Ladies Auxiliary National Headquarters will give a citation to those Auxiliaries donating .25 cents or more per member.

Do you want to know more about the National Home, what is available and what their plans are? Tim Smith Marketing and Development Director is having a web meeting the first Thursday of each month and you are welcome and encouraged to join. For more details for to www.vfwnationalhome.org

We have a busy year ahead of us, with National Military Services, Buddy Poppy Program, VFW National Home for Children, Continuing Ed. Scholarship, we are Leaping into the Future for our Veterans and hopefully making the future a better place for our Veterans and their families, as we Step-Up and Leave No Veteran Behind.
